# ECHO.

Advisor Mr. Albright, Editors Terry Stroup, Lou Ann Pomeroy.

History — a record of words; of deeds; and of actions. The Class of 1971 will soon become a part of the history of Black River High School. Our words, and our work, are recorded in this book — to become a brief section of the past, as we move out into the world to assume our role in the future. May some highlight of your life in this past year have been caught and recorded in the 1971 Echo.

Editors, Lou Ann Pomeroy Terry Stroup

A man who was an educator, a counselor, and most important a friend. Donald Larabee was all of these things to the Class of 1971. An important part of all our young lives; we dedicate our annual to his memory.

Dear Mr. South,

To you, the students of Black River High School. Now that the events of the past weeks are over, there are a few things that I would like to express to you at the beginning of this school year.

As you know, both Mergie and Dad were very close to this school. I believe that as this year is about to start that they would want you to continue with the many dresms hhat they had for this school.

Many people have said that Dad's name was synonomous with Black River. There are many things that remain as memories of what my father did and was trying to do for this school. The scholarship fund in both Bargie and Dad's name is one may of presering what they both wanted for this school. The memories of some little thing that Dad said to you or something that he has done to help you with a problem, are all tributes to him, as a teacher, administrator, and perhaps above all, as a friend to all of you.

There are perhaps many dreams that Dad had that may never be realized; but there are many, many more that can be accomplished with your and your parents help. He wanted great things for this school, as do most of you sitting here today. Now it is up to you to see that some of these dreams come true this year and in the years to some. There is no list of these dreams to be checked off one by one; only the things that each one of you went to accomplish this year and in the years to some.

I would like to issue to you a challenge, that I think Dad has issued to many other assemblies such as this. That is, that you strive to do your best in not only your school work, but everything that you set out to do this year. Try to make this one of the greatest years that Mack River High School has ever seen.

I would also ask that you stop everyonce in a while end remember that my father is welking there right beside you throughout whate er venture that you may start; helping you to make it a tremendous success.

Our family would like at this time to express our thanks to you and to your parents for all the prayers and the thoughtfulness that has been extended to us. We really appreciate all that has been done.

God Eless you all and Good Luck

Sutt E. Variber

### Friends

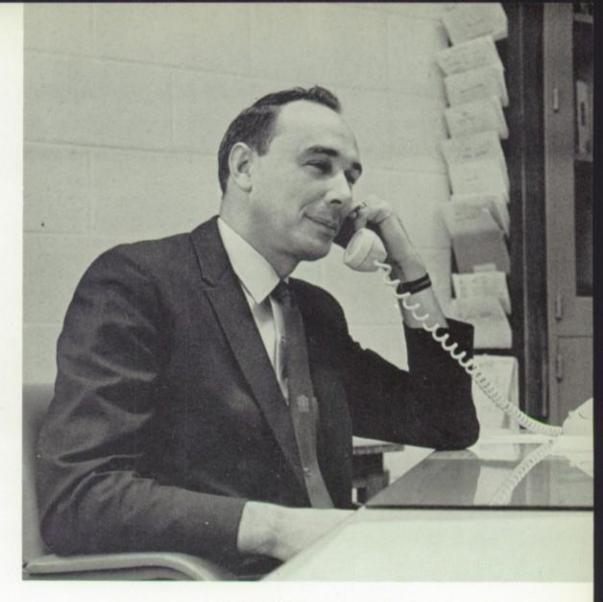

I was approached the other day by a member of the BRHS yearbook staff and asked, "What is the most rewarding part of your job?" My answer was, "The friends I have made among the young and adult people of Black River Local School District."

I offer this challenge to the young people represented in this yearbook; Strive to be friends with all you meet!

Monetary wealth may be lost or spent; materialistic goods may be stolen or destroyed, but true friendship shall endure forever.

As you go through life retain your old friendship and develop new ones. Remember, to gain a friend you must be one! A very famous poet once stated his philosophy of life as "let me live in a house by the side of the road and be a friend to man."

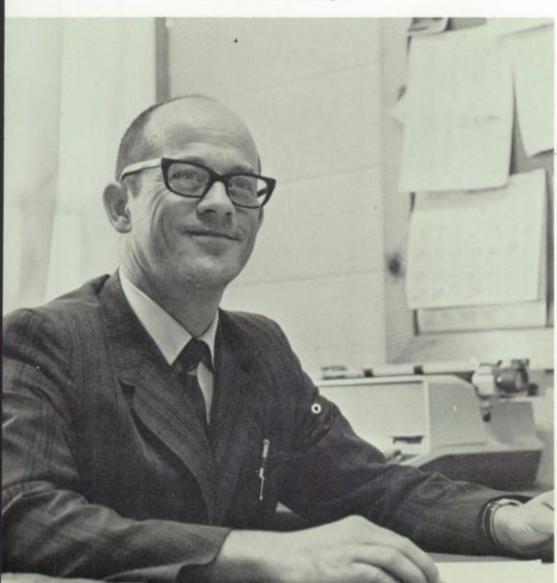

I can truly say this philosophy prevails among the young people and adults of Black River District and I thank you for being my "friends."

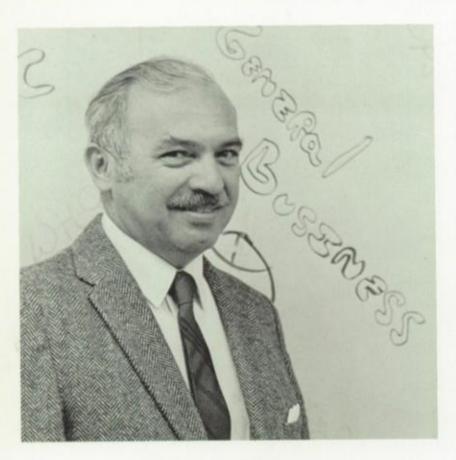

Mr. Smith, Superintendent

## What is the most rewarding part of your job?

J. P. South, Principal

The most rewarding part of my job is twofold. Working with the dedicated members of the faculty whose first concern is the welfare of the students, is one thing that is rewarding. Working with the young leaders of our school is the other part of the job which is rewarding. The young people, who are the real leaders of our school, who work diligently, who think of others, who try to do what is right, who are truly interested in getting an education, keep alive my faith in the young people of America in general, and the young people of the Black River School District in particular.

Terry Stroup, who leads the band, Greets the many Pirate fans. She works hard all the time Trying to get the Annual in line.

Tim Taylor just can't be beat. His long red hair is combed so neat. On the football field he knocks them flat. He's really great on the wrestling mats.

Duane Terrill is tall and blonde. Of "goofing around" he is fond. Quiet and nice in all his ways, We'll remember him the rest of our days.

Art Twining is not very tall. He's usually quiet in the hall. In F.F.A. he's always there, Pitching in and doing his share.

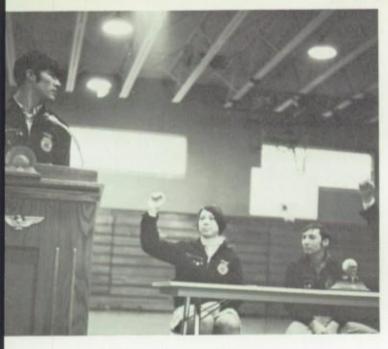

Kathy Whitney is very nice. She's full of humor and good advice. She's always smiling, gay, sincere. A heart of gold is beating here.

Mike Wood was our junior class prez. "Vote or leave!" he often said.
On the football team he plays end.
The pride of the Pirates he'll always defend.

Gale Worcester with hair so long, In our class she does belong. She moved to Tennessee this year, But she returned to graduate here.

Dorothy Zawacki has a special boy, And we all know his name is Roy. A majorette she is in the band. With her saxophone she lends a hand.

Dave Zemancik wants to please Most of the people that he sees. Always merry this swell guy is, Except when he sees a government quiz.

Anabela Andreu was our exchange student for the 1970-71 school year. She came to us from Guatemala and soon became part of our lives. We all miss her and will always remember her happy smile.

Jim Stroup, Ana, Terry Stroup

# "OHIO" I Love You

My life in Ohio is going to be the yesterday that I'll never want to forget.

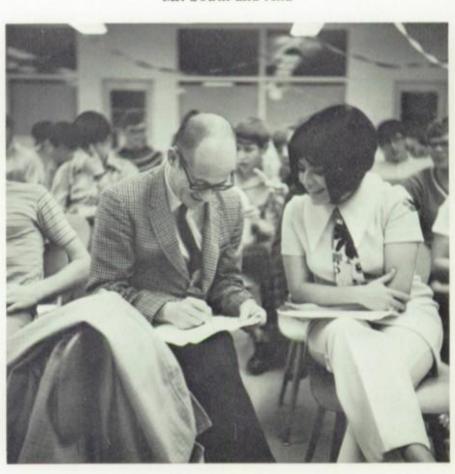

The snow, the cold, the rain and the sun. All those beautiful days of happiness, they will never leave me.

My life with my family, Mom and Dad, Jim and Terry, my lovely home. They were part of my sunny days, they make me happy, they make me always smile.

Black River, friends and teachers; every day they help me, every day they give their friendship. Basketball games; when we won and when we lost. Every day is in my heart.

Ohio, you will be part of my yesterday, and I am going to take you always with me.

Mr. South and Ana

## STERLING FOUNDRY CO. I want my boy to have

all the advantages I can give him

Such as having to earn his own allowance by running errands, cutting lawns.

Such as getting good grades in school — getting them because he wants to, and because he knows what it would do to me if he didn't.

Such as being proud to be clean and neat and decent.

Such as standing up and standing proud when his country's flag goes by.

Such as addressing elder friends of his parents as "sir" and "ma'am".

Such as having to earn his own way in the world and knowing he has to prepare for it by hard work, hard study, and sacrificing some of the pleasures and ease his friends may get from tooindulgent parents.

These are the advantages I want my son to have, because these are the things which will make him self-respecting and self-reliant and successful. And *that* is the happiness I want him to have.
